

FROM SURVIVE TO THRIVE

in 2022 for Hawai'i's Music Industry

The Henry Kapono Foundation is so excited for the upcoming New Year! As we all shift gears from surviving 2021 to THRIVING through 2022, the HKF team is determined to advance the entertainment industry through meaningful work opportunities, inspiring community partnerships, and further supporting Hawai'i's Music and Arts Community by Giving with Aloha. The vehicle that will drive us there will be our four guiding pillars:

WORK, PARTNER, MĀLAMA, INSPIRE.

01 WORK
Keep live music and performances alive by supporting meaningful work and opportunities for Hawai'i's professional music industry.

02 PARTNER
Partner with other organizations with aligned missions to enable program expansion.

03 MĀLAMA
Support Hawai'i's music community by providing industry-specific entertainment and community resources.

04 INSPIRE
Instill positive values and Inspire Hawai'i's keiki and community to pursue their musical dreams via grants and scholarships.

LOOKING FORWARD

to exciting plans in 2022!

The #1 priority to Hawai'i's music and entertainment community has been getting back to work. With the support of our donors, sponsors and partners, we are able to reinforce meaningful work and will continue to support live music through 2022!

Henry Kapono's Concert Series - Season 5

Announcing Season 5 of Henry Kapono's Artist2Artist Concert Series, the Hawai'i Legends Edition! Join Henry as he turns back the clock on a much simpler time in the islands as part of the "Hawaiian Renaissance." Each show will feature Henry Kapono as he "jams" and "talks story" one-on-one with one of the iconic Legends of Hawai'i's Island Music: Keola Beamer, Jerry Santos, The Makaha Sons and Ledward Kaapana, "deconstructing" their career (as only one artist to another can do), and giving the audience insight into the spirit and aspirations of the person behind the music.

An opportunity to donate to the Henry Kapono Foundation will be available online when purchasing tickets, and in-person, during the shows.

MEANINGFUL PARTNERSHIPS

Ho'ola Nā Pua partners with HKF, Easy Music Center and Kapena School for Music

Creating meaningful Partnerships is a core pillar of The Henry Kapono Foundation. One of these Partnerships is facilitating music education for classes at The Bromley Family Pearl Haven Campus. Hawaii's leading licensed residential treatment center is the first of its kind in the islands, providing trauma-informed therapeutic services youth, ages 11-17, who have experienced sexual exploitation or trafficking. Pearl Haven is a place of healing and new beginnings.

It all started with a generous donation of music equipment from Easy Music and a cost-share program between HKF and The Bromley Family Pearl Haven Campus to provide instructors from the Kapena School of Music for their music program. Our shared vision to help heal with music has become a reality for the students at the center. The Henry Kapono Foundation is very honored to partner with these three organizations to continue this impactful program throughout 2022!
