**Henry is back for Season 4 of his popular Artist 2 Artist Concert Series at Blue Note Hawai'i.**

Multiple award-winning and GRAMMY® nominee, Henry Kapono, will introduce a new opening segment that spotlights many of Hawai`i's diverse and talented musical entertainers, followed by some of Hawai`i's most iconic musicians. Henry will "jam" and "talk story" one-on-one with each artist, "deconstructing" their career, as only one artist to another can do, to give the audience insight to the spirit and aspirations of the person/people behind the music.

This 2021 special edition is in partnership with the Henry Kapono Foundation and dedicated to helping get Hawai`i's musicians back to work and on stage to do what they love most...perform. Showcasing these talented musicians will undoubtedly deliver an entertaining and fun filled night for the audience, while providing the entertainers meaningful income and the spotlight for them to shine. Henry Kapono's Artist 2 Artist Concert Series is a Kapono Inc. production and a giving program of the Henry Kapono Foundation in continued support of Hawai`i entertainment industry. The Henry Kapono Foundation welcomes donations and sponsorship for future events. Support HKF: <https://www.henrykaponofoundation.org/donate>
