a Message from Henry

"We're excited about bringing the community together in healing and fellowship as we celebrate the music soundtrack of growing up in Hawai'i and how lucky we are to live in our Home in the Islands, there's no better Hawai'i venue than the outdoor setting of the Waikiki Shell and no better backdrop than Diamond Head!"

Our goal is not only to further support our industry through the end of COVID and beyond, but also to thank the people of Hawai'i for supporting Hawai'i's music and music industry. This concert is to bring us all together to celebrate the challenges we've overcome and have a once-in-a-lifetime experience through the joy of music and friendship."

— HENRY

The Home in the Islands™ Concert is a partial benefit for the Henry Kapono Foundation. \$1 from every ticket and a portion of the show's proceeds will go

toward helping the many musicians, stagehands, audio engineers, lighting technicians, and backstage crews that were mainly put out of work over the past 17 months due to the COVID-19 pandemic.
