**Donations are appreciated and will benefit the Henry Kapono Foundation (HKF) whose mission is to “Support the community through music and the arts and by giving with Aloha”.**

In 2020, the COVID-19 pandemic has had a tremendous impact on the local music industry, resulting in concert cancellations and the closure of several music venues, which left musicians and artists without their main sources of income to support themselves and their families. HKF swiftly adjusted its programing focus and created the “We are Friends” giving program, providing close to \$175,000 in Foodland gift cards to Hawaii's professional music families in need. The HKF continues to research, identify & connect Hawaii's music industry with financial aid and resources for basic essentials such as rent, utilities & healthcare. ***“After all we've been though in 2020, I am so excited to bring everybody together for a good time Holiday Celebration!” – Henry***

Underwriting support for this program has been graciously provided by the City and Count of Honolulu's Grant In Aid funding of Hawaii Theatre's Partners In The Arts Virtual Series.
